At the approaching session of the Grand Lodge, Knights of Pythias, to be held in St. Joseph commencing October 21, the report of the supreme representatives will present the changes in the law anacted by the Supreme Lodge which met at San Prancisco in August. Those that effect the statutes of this grand domain will be presented for special consideration.

The committee at St. Joseph is hard at 15 work arranging matters so that all who visit that city will have pleasant recollections of this around session.

Excelsior Lodge, No. 13, has instructed the Futertainment Committee to arrange for a cuchre for its members on the last Wednesday of this month.

The convention of the Red Cross Lodge last Wednesday evening was the largest held for many months. There were nearly so members and visitors on hand. The beautiful amplified first rank was put on. After the adjournment a select vandertile entertainment kept the boys in good humor for a couple of hours. The next meeting will have another surprise in store for the members, and there will be work on the second rank.

Pythagoras Lodge, No. 25, advanced one

second rank.

I'vihagoras Lodge, No. 275, advanced one page to the rank of esquire at the last session. In their usual impressive manner, and will confer the rank of knight at the next session. The attendance is always first class at this lodge, and visitors are made at home whenever they attend.

Jefferson hall at it is to be at the next session. The rate of the conference of the last session will be a session with the lodge and visitors are made at home whenever they attend.

Everybody knows that stocks have not declined owing to future outlook or use they were too high, but becaused the money situation made it simply imcossible for all to get funds without liquidation. The ENORMOUS LIQUIDATION ast week also aided matters materially. Now that the STORM IS OVER there will be as much of a desire to BUY as there was the first part of last week to

BARGAINS are more in evidence in WALL STREET than they are in dry-TOCKS have been absorbed by cash INVESTORS the past week. This stock will practically go out of the market to stay for quite some period at LEAST. It will take good profits to bring it back into WALL STREET, as this class of BUYER PURCHASES when low and only parts with his holdings when things are high and people are climbing for them.

ANOTHER POINT. Bear in mind the market of the past week has thrown upon the hands of the CLIQUES AND INSIDERS nearly all outside holdings.

month fully proves it. Their interests are conrequently identified with the BULLS and they are probably the STRONGEST COMBINATION TO-DAY in WALL TREET. Stocks will ultimately go very much higher in many instances. HIGH-HR THAN PRICES YET RECORDED. The low prices of the annual tight-money

The average trader should be conservative in trading, and the high-priced his should not be bought unless with plenty of margin to protect same. But ch stocks as Wabash preferred, Union Pacific, Southern Pacific, Southern Railway, Chesapeake and Ohio, Copper and United States Steel common we consider fe on a 5-point margin. The latter, United States Steel common, if bought and 45, is safe on a 2-point margin.

We accept accounts as low as \$50.00, commission %, interest charges 5 per et in ten-share lots and upwards.

## 24% YEARLY. A Tremendous Interest.

THE FIFTH 2 PER CENT DIVIDEND OF THE

# Continental National Oil and Refining Co.

Is Absolutely Assured and Will Be Paid October 15 to All Stockholders of Record Oct. I.

Do you realize what 2 per cent per month or 24 per cent a year means as an investment? You well know that 3 and 4 per cent is the usual interest savings banks pay; besides, you must take into consideration the increasing value of stock in good reliable paying corporations.

is the golden opportunity of your life. It is one of the chances that come but once. Let it pass and you will always have something to regret.

### Send for Our Installment Plan Offer. Our Free Trip Offer to Texas

You pay 20% down and the balance in four equal monthly payments, and recover of afend from the beginning on the easter amount of stock subscribed for. These month or dividends help you to make payments.

and return to prospective purchasers of \$500.00 worth of stock is still open. You investigate first and purchase afterwards. You could not expect anything fairer than this, could you?

Gentlemen: Having completed my vist o the of fields of Beaumont, making a thorough investigation and inspection of the field and the was gament a se company and its holdings, through their free trip offer, I have only this to say, that I believe there we are never been told." One glance at the field is all that is necessary to convince the most skeptical bast more a neithous in it. I found the officers of the company bright, energetic, capable men, who treated me very courtwously. I thank them for a most enjoyable visit and predict great CHAUNCEY E. FRENCH, Paterson, N. J.

The money derived from the present sale of stock is to be used for development purposes. All money from the sale of oil will be used to pay dividends to our stockholders.

Development work is progressing rapidly, and stock will be entirely withdrawn in a very few days, so we advise you that if you want to get into a first-class sure dividend paying oil company backed by reputable business men subscribe at once.
